ABOUT US

IGroup is a national IT Consulting Systems Integration firm that delivers high-quality IT services to leading clients in Australia. We have been playing the role of a trusted IT partner to our clients since 2002, by helping them translate their IT vision into solid, measurable value. Today we have a presence that spans the entire country and delivering winning solutions for our clients.

OUR SERVICE FOOTPRINT

As a diverse end-to-end IT solutions provider, Igroup offers a range of expertise aimed at helping customers re-engineer and re-invent their businesses to compete successfully in an ever-changing marketplace. Igroup offers cost-effective and intelligent IT solutions to clients in the Financial Services, Communications, Building Constructions, Retail, High-Technology and Government and Educational Sector industries.

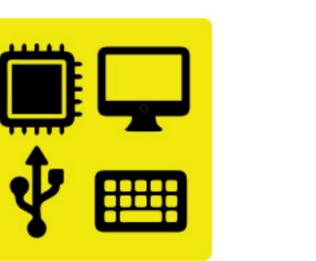

WHAT WE OFFER

- Managed Network Setup Application Development
- Packaged Applications Software Testing
- Systems Integration
- Service Level Management Application Management

"WE ENSURE SECURITY, COST-EFFECTIVENESS, AND QUALITY FOR CLIENTS"

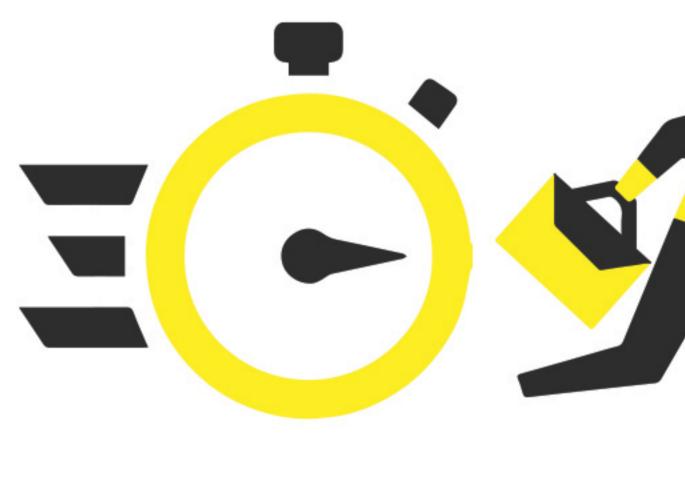

Since our inception we have firmly believed in ensuring the highest quality for the IT solutions that we deliver to clients. Our consulting and IT solutions have resulted in technology-intensive transformations that have met the most stringent of international quality standards.

OUR RESPONSE

"IGROUP PROVIDES SAME DAY / NEXT DAY RESPONSE WHEN AN IT PROBLEM ARISES"

When you call IGroup, an engineer will contact you provide support asap. Quick support will provide remotely or arrive on-site to service as per requirement within 24 hours.

MAINTENANCE
